PRESS RELEASE

Giosuè Vezzuto appointed CEO of RINA Services to lead Maritime and Certification businesses

Genoa (Italy), 12 November 2026 – Giosuè Vezzuto has been appointed Chief Executive Officer of RINA Services, the RINA Group company active in marine and certification services. He has led the company since August, succeeding Paolo Moretti, who today serves as Chief Executive Officer and General Manager of RINA S.p.A..

With a global network of more than 2,200 professionals, RINA Services generated revenues of over €384 million in 2025, representing around 37% of the Group's total revenues and a 13% increase year on year. The company expects revenues to exceed €400 million in 2026.

Giosuè Vezzuto, Chief Executive Officer of RINA Services, said: "I take on this role with pride and determination, and I am grateful for the trust placed in me. Over the past five years, we have achieved average annual growth of 15% in Marine and 10% in Certification. These results reflect the dedication of our people and the trust our clients continue to place in RINA. I am committed to building on this progress with ambition, focusing on the quality of our results and services and fostering innovation that creates tangible value for our clients and our people. Throughout, we will remain firmly anchored in the values that define us: competence, independence and reliability."

Paolo Moretti, Chief Executive Officer and General Manager of RINA, added: "Over the years, I have had the opportunity to appreciate Giosuè Vezzuto's vision and capabilities across the various roles he has held in Italy and internationally, and I am confident that his experience will bring further value to the markets in which RINA Services operates. With his leadership, the expertise of our people and the strong foundations built over the years, RINA Services is well positioned to continue its growth and make an even stronger contribution to the Group's development."

A naval engineer by training, Vezzuto joined RINA in 1997 and has built his career within the Group, holding a range of managerial, commercial and operational roles of increasing responsibility. He started in classification and engineering before moving to the Marine business unit. Over the years, he has served as Deputy Manager of the Naples office, Head of the Singapore office, Country Manager for Southeast Asia, Regional Manager for Northern Europe and Regional Manager for Asia. Since 2019, he had served as Executive Vice President Marine at RINA Services.

***RINA**, a leading certification and engineering company, provides a wide range of services across the Energy, Marine, Infrastructure & Mobility, Certification, Industry and Real Estate sectors. In December 2023, alongside the majority shareholder Registro Italiano Navale, Fondo Italiano d'Investimento SGR entered the shareholding structure guiding a pool of co-investors. With revenues in 2025 of over 1 billion euros, over 7,000 employees and 200 offices in 70 countries worldwide, RINA is a member of key international organizations and an important contributor to the development of new legislative standards.* www.rina.org
